Summary

I remixed Manabun Lab's Controller Stand to make it fit the GuliKit Kingkong 2 Pro Controller

[Gadgets](#) > [Video Games](#)

Tags: [nintendo](#) [gaming](#) [switch](#) [controller](#) [controllerstand](#) [gulikit](#)

I remixed Manabun Lab's Controller Stand because it was amazing, while respecting the design to make it suitable for a GuliKit Kingkong 2 Pro Controller.

Honestly I did this quite quickly and and it's a bit sloppy but the final print still looks good.

This remix is based on

Minimalistic Nintendo Switch Pro Controller Stand
by Manabun Lab
